When: Oct. 1, 2008 11:30 a.m. -1:30 p.m.

Where: International Trade Center @ 11110 Bellaire Blvd., Houston, TX 77072

The “Brokers and Investors Mixer” organized by the Chinese Chamber of Commerce of Texas invites business brokers and investors to introduce their projects and funding opportunities to our members. The project and funding opportunity information will both be posted on our website and the information will also be e-mailed to our many members in both the United States and China.

The Chinese Chamber of Commerce of Texas is a non-profit organization registered in Texas with the mission of building a “platform” to help U.S. and Chinese investors locate business opportunities in the United States and China. Toward this goal, we organize various business activities including trade missions, overseas delegation visits, and “brokers & investors mixers” to share investment opportunities. We also display funding contacts and current projects on our websites as a resource for our members.

If you are serious about expanding your business and investment opportunities, we encourage you to consider a sponsorship at our next luncheon.
